### Cartographic Citations

The Map & Geography Round Table of the American Library Association has published an informative booklet on forms of citation for cartographic materials. The twenty three page publication, entitled *Cartographic Citations: A Style Manual* is edited by Suzanne M. Clark, Mary Lynette Larsgaard, and Cynthia M. Teague, and was published in 1992 (ISBN 0-8389-7581-X). The booklet is an indispensable reference for anyone using maps. It provides the basic form for citing cartographic materials of all types and gives numerous examples of citation formats (see table of contents to left). The cost is \$10. Orders can be sent to Kathryn Womble, Map Collection FM-25, University of Washington Libraries, Seattle, Washington 98195; Phone (206) 543-9392; e-mail kwomble@u.washington.edu.
